EDUCATION

Tayug Foundational Christian Academy

Science, Technology, Engineering, and Mathematics

- Dean's List

Tayug City, PH

June 2016 - March 2018

Saint Louis University

Bachelor of Science in Information Technology

- Dean's List, Bachelor's Degree

Baguio City, PH

August 2018 - July 2023

WORK EXPERIENCE

Flutter Developer Intern

Feil, Feil, and Feil Manila INC

- I took FFUF's bootcamp in developing Mobile Applications with Dart and Flutter.
- We developed 3-7 Mobile Test Applications to enhance our hands-on coding with Flutter. We learned how to properly use Flutter's state management and element layouts.
- After bootcamp, I was assigned to handle the responsiveness of one of FFUF's Flutter Web Project called "Markilux".

Makati City, PH

January 2023 - May 2023

UI/UX Designer

Upwork

- Using Adobe XD, I designed a low-fidelity wireframe for Virtual Assistant and Online Jobs Website and made sure that all the widgets, components, and elements are in the right position.
- After doing the wireframes, I applied a sleek high-fidelity UI design for the websites using Figma. I made sure that the designs are trendy, modern, and user-friendly.

Freelance

July 2023 - August 2023

PROJECTS

Rimorin Dental Clinic Website

Saint Louis University

- Rimorin Website is a dental appointment system developed by me and my thesis groupmates using MERN stack (MongoDB, Express, ReactJS, and NodeJS).
- My role was a Fullstack Developer focusing mostly on mockup designs, state management, middleware, database and server management.

Baguio City, PH

August 2022 - December 2023

Flutter Mobile Applications

Feil, Feil, and Feil Manila INC

- I've developed 3-7 Mobile Flutter Applications which contains different features to determine how flutter can be adaptable in different types of systems.
- It contains Dart logic, state management with Redux, flow of different element Layouts, and responsiveness.
